

Purified Water

General Data

Known as: Purified Water

Plant Parts: n/a

INCI: Aqua

Product Details

Benefits

Hydration

- While it is primarily used as a base ingredient (being a primary solvent to dissolve water-soluble ingredients), it aids in maintaining the moisture balance of the skin.
- Helps to enhance the absorption of active ingredients (Zinc Oxide).

Solvent

- It is a universal solvent which facilitates the making of a smoother and lighter formula.
-
