

# Methicone

---

## General Data

Known as: PMHS

Plant Parts: n/a

INCI: Polymethylhydrosiloxane

## Product Details

---

### Benefits

#### *Texture*

- Provides a smoother application by offering a more spreadable and smooth formula.

#### *Emollient*

- Creates a film on the skin to reduce water loss which can prevent water loss and improve skin elasticity.

#### *Moisturizing*

- Helps to keep the skin hydrated and prevent dryness after sun exposure.
-
