### Benefits

#### *Moisturizing*

- Forms a protective barrier to lock in moisture, creating long-lasting hydration to keep the skin soft.

#### *Anti-Aging*

- Rich in antioxidants, MCT oil helps fight free radicals that contribute to the aging process. This helps reduce the appearance of fine lines, wrinkles, and age spots.

#### *Non-Comedogenic*

- MCT oil is known for being gentle on the skin, making it a great option for sensitive or reactive skin types. It won't clog pores or cause breakouts.
  - Despite being an oil, MCT oil has a lightweight and non-greasy texture that absorbs quickly into the skin, making it suitable for all skin types, including oily or acne-prone skin.
