

Animal Testing Statement

ZinClear IM50CCT

ZinClear IM50AB

ZinClear IM55L7

ZinClear IM50JJ

ZinClear XP

ZinClear XP65COCO

Antaria confirms that it has not conducted nor contracted third parties to conduct animal testing for any of our products. All in vivo testing of the ZinClear range of products was conducted humans with prior consent.

Based on our knowledge of the raw materials used to produce this product, and information from suppliers, animal-tested substances are not expected in this product.

Effective Date: 11 April 2018

Geoff Acton, Managing Director
